"put the yellow and white mug to the front of the white mug" (held out) spelled from pieces of the prior's own motions: 16 segments x 7 dimensions, 704 B with alignment keys every 5th frame, 0.024 from the demo's chunks.
Most-used sources: turn on the stove and put the moka pot on it (10); put the yellow and white mug in the microwave and close it (10); put the black bowl in the bottom drawer of the cabinet and close it (8)
